*Coupon may be redeemed one time only by recipient. The person making the referral must have a Midwest Bank checking account. When the newly referred customer opens their account and either 1) the new customer signs up for direct deposit and Midwest Bank receives the first direct deposit; or 2) thirty days after the new checking account with Midwest Bank is opened and at least two deposits and 10 debit card transactions have been made to the account, \$50 will be deposited into their account; along with \$50 to the referring customers' account. \$50 will appear as interest income on current year 1099-INT statement. No expiration date.
